RESPONSE TO REQUEST FOR CORRECTED FILING RECEIPT

In response to your request for Corrected Filing Receipt, the Office is unable to comply with your request because information contained on the request differs from the papers within the file. The first page of the specification does not specify the relationship between SNs 09/447,121 and 09/441,973. Specifically, after "November 22, 1999", a semi-colon is present, not the words "which is a Continuation-In-Part of". In addition, the relationship of the PCT application per the specification is a National Stage Entry of 09/284,197, not a Continuation-In-Part. An amendment must be filed to correct the errors found on the specification. Please submit the amendment along with a request for Corrected Filing Receipt.

Sincerely,

Tushombe Stokes
